Students need gym shoes for PE in the gym. The shoes need to be clean on the soles and non-marking. It is recommended they have shoes just for gym use but it is not required. That means they may wear their everyday gym shoes in class as long as they are clean. I will have a system set up so they will clean their shoes if they don't pass inspection. If PE is outside, they may wear other shoes. Students may not participate in gym activities if wearing flip flops. Mr. Gary Norman, PE Teacher
